Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (a requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA). The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.	Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD. Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care

Specifically failed to comply with the following:

s. 6. (1) Every licensee of a long-term care home shall ensure that there is a written plan of care for each resident that sets out,
(a) the planned care for the resident; 2007, c. 8, s. 6 (1).
(b) the goals the care is intended to achieve; and 2007, c. 8, s. 6 (1).
(c) clear directions to staff and others who provide direct care to the resident. 2007, c. 8, s. 6 (1).

Findings/Faits saillants :

1. The licensee failed to ensure that the plan of care for a resident set out clear direction related to their transfer status.

A resident sustained an injury in April 2020.
As a result of the injury they required additional assistance from staff for transfers, as documented in their care plan.
Observed on the resident's bedroom wall was a transfer logo which identified that they did not require assistance with transfers.
Staff confirmed that the logo on the wall was related to their transfer status; however, was not updated with the change in their care needs.
Staff who followed the logo, during the provision of care, since April 2020, would not have provided care according to the assessed needs, which could have resulted in injury to the resident or staff.

Sources: Observations, review of progress notes, care plan and transfer logo for the resident and interviews with staff. [s. 6. (1) (c)]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that the plan of care set out clear directions to staff who provide care, to be implemented voluntarily.
