WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care

Specifically failed to comply with the following subsections:

s. 6. (1) Every licensee of a long-term care home shall ensure that there is a written plan of care for each resident that sets out,

- (a) the planned care for the resident;**
- (b) the goals the care is intended to achieve; and**
- (c) clear directions to staff and others who provide direct care to the resident. 2007, c. 8, s. 6 (1).**

s. 6. (10) The licensee shall ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months and at any other time when,

- (a) a goal in the plan is met;**
- (b) the resident's care needs change or care set out in the plan is no longer necessary; or**
- (c) care set out in the plan has not been effective. 2007, c. 8, s. 6 (10).**

Findings/Faits saillants :

1. An identified resident's plan of care does not address current medical conditions such as sensory deficits and treatments. Staff interviewed were not aware of the sensory deficits or possible interventions required as part of treatments.[LTCHA, 2007, S.O. 2007, c.8, s.6.(1)(c)]

2. An identified resident was discharged back to Caressant Care Arthur. The physician was not notified at the time of the resident's return therefore resident's plan of care was not reviewed resulting in the resident having to wait for their medications.

Interview with staff concluded that the physician should have been notified on the day the resident returned.[LTCHA, 2007, S.O. 2007, c.8, s.6.(10)(b)]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that there is a written plan of care for each resident that sets out clear directions to staff and others who provide direct care to the resident and to ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months and at any other time when the resident's care needs change, to be implemented voluntarily.
