**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6.  
Plan of care**

**Specifically failed to comply with the following:**

- s. 6. (1) Every licensee of a long-term care home shall ensure that there is a written plan of care for each resident that sets out,**  
**(a) the planned care for the resident; 2007, c. 8, s. 6 (1).**  
**(b) the goals the care is intended to achieve; and 2007, c. 8, s. 6 (1).**  
**(c) clear directions to staff and others who provide direct care to the resident.**  
**2007, c. 8, s. 6 (1).**
- 

**Findings/Faits saillants :**

1. The licensee failed to ensure that the plan of care set out clear directions to staff and others who provide direct care to the resident.

One of the section in the plan of care stated that a resident was to wear a particular size continence product for all shifts; however, another section in the plan of care stated that resident was to wear a different size continence product. Personal Support Worker (PSW) and the clinical record both confirmed that resident was not wearing either size of the continence product identified in the plan of care and was wearing a different product. The plan of care did not provide clear directions to staff that provide direct care to the resident. [s. 6. (1) (c)]
