The purpose of this inspection was to conduct a Complaint inspection.

This inspection was conducted on the following date(s): February 18, 2014

A heating system equipment malfunction and subsequent repairs occurred in January 2014. Two related critical incident reports were submitted by the Administrator which identified a partial loss of heat and actions taken.

During the course of the inspection, the inspector(s) spoke with the Administrator, the Environmental Services Manager (ESM), the Director of care, several nursing staff and several residents.

During the course of the inspection, the inspector(s) accompanied the ESM to the boiler room on the lower level of the A wing and viewed the gas fired hot water heating system boilers; toured resident areas in the A wing; reviewed documentation related to the maintenance of the heating system both; reviewed Resident Council meeting minutes and the posted management response; reviewed temperature records.
