**WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 8. Policies, etc., to be followed, and records**

**Specifically failed to comply with the following:**

**s. 8. (1) Where the Act or this Regulation requires the licensee of a long-term care home to have, institute or otherwise put in place any plan, policy, protocol, procedure, strategy or system, the licensee is required to ensure that the plan, policy, protocol, procedure, strategy or system,**  
**(a) is in compliance with and is implemented in accordance with applicable requirements under the Act; and O. Reg. 79/10, s. 8 (1).**  
**(b) is complied with. O. Reg. 79/10, s. 8 (1).**

**Findings/Faits saillants :**

1. Where the Act or this Regulation requires the licensee of a long-term care home to have, institute or otherwise put in place any plan, policy, protocol, procedure, strategy or system, the licensee failed to ensure that the plan, policy, protocol, procedure, strategy or system, is complied with, related to immediately reporting suspected, alleged or actual resident abuse.

A review of the home's Mandatory Reporting Policy indicates all cases of suspected or actual abuse must be reported immediately in written form to the DON/Administrator. In the absence of management staff, concerns should be reported immediately to the Charge Nurse, who will notify management staff on call.

A registered staff member became aware of an alleged incident of resident abuse but did not report it to a manager until approximately five hours later.

The Administrator and Director of Nursing confirmed the incident had not been reported immediately and the home's Mandatory Reporting Policy had not been complied with. The Administrator and Director of Nursing shared the expectation is that all cases of suspected, alleged or actual abuse must be reported immediately to the Director of Nursing/Administrator or management staff on call .
