**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care
Specifically failed to comply with the following subsections:**

s. 6. (7) The licensee shall ensure that the care set out in the plan of care is provided to the resident as specified in the plan. 2007, c. 8, s. 6 (7).

Findings/Faits saillants :

A Resident did not have interventions as set out in the plan of care: Resident did not receive assistance to remain clean dry and comfortable. Resident was left for 45 minutes incontinent in the wheelchair before receiving assistance to have the incontinent product changed.

WN #2: The Licensee has failed to comply with O.Reg 79/10, s. 51. Contenance care and bowel management

Specifically failed to comply with the following subsections:

s. 51. (2) Every licensee of a long-term care home shall ensure that,

(a) each resident who is incontinent receives an assessment that includes identification of causal factors, patterns, type of incontinence and potential to restore function with specific interventions, and that where the condition or circumstances of the resident require, an assessment is conducted using a clinically appropriate assessment instrument that is specifically designed for assessment of incontinence;

(b) each resident who is incontinent has an individualized plan, as part of his or her plan of care, to promote and manage bowel and bladder continence based on the assessment and that the plan is implemented;

(c) each resident who is unable to toilet independently some or all of the time receives assistance from staff to manage and maintain continence;

(d) each resident who is incontinent and has been assessed as being potentially continent or continent some of the time receives the assistance and support from staff to become continent or continent some of the time;

(e) continence care products are not used as an alternative to providing assistance to a person to toilet;

(f) there are a range of continence care products available and accessible to residents and staff at all times, and in sufficient quantities for all required changes;

(g) residents who require continence care products have sufficient changes to remain clean, dry and comfortable; and

(h) residents are provided with a range of continence care products that,

(i) are based on their individual assessed needs,

(ii) properly fit the residents,

(iii) promote resident comfort, ease of use, dignity and good skin integrity,

(iv) promote continued independence wherever possible, and

(v) are appropriate for the time of day, and for the individual resident's type of incontinence. O. Reg. 79/10, s. 51 (2).

Findings/Faits saillants :

Resident did not have sufficient changes to remain clean, dry and comfortable.

Resident was left in the wheelchair for 45 minutes incontinent.

Primary Personal Support Worker (PSW) was informed by another PSW to assist resident to change her incontinent product. PSW was called to assist another resident and did not attend to resident immediately.

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure residents who require continence care products have sufficient changes to remain clean, dry and comfortable, to be implemented voluntarily.
