## INSPECTION RESULTS

### WRITTEN NOTIFICATION: Plan of Care

NC #001 Written Notification pursuant to FLTCA, 2021, s. 154 (1) 1.

**Non-compliance with: FLTCA, 2021, s. 6 (7)**

Plan of care

s. 6 (7) The licensee shall ensure that the care set out in the plan of care is provided to the resident as specified in the plan.

#### Introduction

The licensee has failed to ensure that the resident's plan of care included all fall prevention interventions used by staff.

#### Rationale and Summary

The resident's plan of care indicated that there were fall prevention interventions in place. During an observation of the resident, the inspector noted the resident was sitting, however the fall intervention listed in the plan of care was not secured and attached to the resident.

During an interview with staff, they acknowledged and confirmed that the resident should have had their fall prevention intervention in place and secured to the resident at all times.

During an observation of the resident's room the inspector observed a fall prevention intervention in place, however that intervention was not listed on the

resident's plan of care.

The risk to the resident was low as the care plan was not up to date with all the current fall interventions used by staff.

**Sources**

Resident's care plan, observations of resident and their bedroom, interviews with staff.
