**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 8.
Nursing and personal support services**

Specifically failed to comply with the following:

s. 8. (3) Every licensee of a long-term care home shall ensure that at least one registered nurse who is both an employee of the licensee and a member of the regular nursing staff of the home is on duty and present in the home at all times, except as provided for in the regulations. 2007, c. 8, s. 8 (3).

Findings/Faits saillants :

1. The licensee has failed to ensure that at least one registered nurse who is an employee of the licensee and a member of the regular nursing staff is on duty and present at all times unless there is an allowable exception to this requirement (see definition/description for list of exceptions as stated in section 45.(1) and 45.1 of the regulation).

A review of the registered staff schedule for the period of December 28, 2014 to January 11, 2015 was conducted and revealed the following:

- a) there is only 1 Registered Nurse on staff
- b) the Registered Nurse did not work any weekends
- c) there were 6/14 (43%) day shifts, 14/14 (100%) evening shifts, and 14/14 (100%) night shifts that there was no Registered Nurse on duty and present in the home at all times. This was confirmed by the Registered staff in the home.

The Office Manager indicated that the home advertises for Registered Nurses on the Extendicare and Government of Canada Job Bank website. The ads are then picked up by several other websites. The Home provided documentation that the last job posting on the Government of Canada Job Bank website was for the period of August 18, 2014 to September 14, 2014. The Office Manager confirmed that the position was not currently posted. [s. 8. (3)]
