- (a) ensure that alternatives to discharge have been considered and, where appropriate, tried; O. Reg. 79/10, s. 148 (2).**

 - (d) provide a written notice to the resident, the resident's substitute decision-maker, if any, and any person either of them may direct, setting out a detailed explanation of the supporting facts, as they relate both to the home and to the resident's condition and requirements for care, that justify the licensee's decision to discharge the resident. O. Reg. 79/10, s. 148 (2).**

Findings/Faits saillants :

1. The licensee has failed to ensure that before discharging resident #005, a collaboration with appropriate placement co-ordinator, resident's Substitute Decision Maker(SDM) was part of the discharge planning and a detailed explanation of the supporting facts was provided to the resident.

Log #013422-17 involving resident #005

During interview with inspector #194, ADOC #2 indicated that there was no collaboration with CCAC or other health services to make alternate arrangements for accommodations required by the resident. ADOC also indicated during same interview that the SDM was not part of the discharge planning. Inspector #194 reviewed the discharge letter provided to the resident which did not provide a detailed explanation of the supporting facts, as they related both to the home and to the resident's condition and requirements for care, that justify the licensee's decision to discharge the resident.
