**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 19.**  
**Duty to protect**

**Specifically failed to comply with the following:**

**s. 19. (1) Every licensee of a long-term care home shall protect residents from abuse by anyone and shall ensure that residents are not neglected by the licensee or staff. 2007, c. 8, s. 19 (1).**

**Findings/Faits saillants :**

1. The licensee has failed to ensure that a resident was protected from physical abuse by another resident.

The Ministry of Long-Term Care (MOLTC) received a report about two altercations that occurred between two residents. A Registered Nurse (RN) said that one of the residents had a history of responsive behaviours related to verbal aggression and abuse towards staff and other residents. Video footage was reviewed by the home that showed a physical altercation between the two residents that was unwitnessed by staff. The same RN and the Director of Care (DOC) witnessed the second physical altercation occur approximately an hour after the first one and a code white was called to deescalate the situation. One resident sustained a fall and injuries as a result of physical abuse by the other resident.
