NC #001 remedied pursuant to FLTCA, 2021, s. 154 (2)

Non-compliance with: FLTCA, 2021, s. 25 (2) (b)

Policy to promote zero tolerance

s. 25 (2) At a minimum, the policy to promote zero tolerance of abuse and neglect of residents,

(b) shall clearly set out what constitutes abuse and neglect;

The licensee has failed to ensure that at a minimum, the policy to promote zero tolerance of abuse and neglect of residents clearly set out what constitutes abuse and neglect.

The home's policy, Prevention and Reporting of Resident Abuse/Neglect did not include the full definition of sexual abuse as per Ontario Regulation 246/22. All staff had received training in 2024, that included the previous version of the policy that did include the full definition. The Director of Care realized the omission in the definition, revised the policy on May 15, 2025, and provided the revised policy to staff on May 20, 2025.
