The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.	Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 53. Responsive behaviours

Specifically failed to comply with the following:

s. 53. (4) The licensee shall ensure that, for each resident demonstrating responsive behaviours,

(a) the behavioural triggers for the resident are identified, where possible; O. Reg. 79/10, s. 53 (4).

(b) strategies are developed and implemented to respond to these behaviours, where possible; and O. Reg. 79/10, s. 53 (4).

(c) actions are taken to respond to the needs of the resident, including assessments, reassessments and interventions and that the resident's responses to interventions are documented. O. Reg. 79/10, s. 53 (4).

Findings/Faits saillants :

1. The licensee failed to ensure that behavioural triggers had been identified for the resident demonstrating responsive behaviours (where possible).

In 2014, an altercation took place between resident #001 and resident #002. Staff who witnessed the incident observed resident #002 approach resident #001 with the intent to take an item belonging to them. Staff interviewed confirmed they had knowledge that resident #001 was territorial with their belongings and they believed this was the cause of the altercation. The Executive Director confirmed that the written plan in place at the time of the incident, did not identify behavioural triggers that included being territorial with their belongings. [s. 53.
