WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6.

Plan of care

Specifically failed to comply with the following:

- s. 6. (1) Every licensee of a long-term care home shall ensure that there is a written plan of care for each resident that sets out,**
- (a) the planned care for the resident; 2007, c. 8, s. 6 (1).**
 - (b) the goals the care is intended to achieve; and 2007, c. 8, s. 6 (1).**
 - (c) clear directions to staff and others who provide direct care to the resident. 2007, c. 8, s. 6 (1).**

Findings/Faits saillants :

1. The licensee has failed to ensure that the plan of care set out clear direction to staff and others who provide direct care to the resident.

An identified resident had recent alterations in medical diagnoses. The Administrator confirmed that these changes in condition were not addressed within the plan of care.

Interview with an identified resident demonstrated difficulty comprehending information. This observation was confirmed with the Administrator of the home as well as by the resident's Substitute Decision Maker (SDM). This special need was not outlined in the plan of care.

Interview with members of the home's staff showed that an identified resident may refuse care. Members of the home's staff indicated that when resident refuses care they are to reattempt at a later time. This intervention was not listed in the plan of care.

The Administrator confirmed that it is the home's expectation that the plan of care should be up-to-date and provide clear direction to staff and in the case of an identified resident this did not occur. [s. 6. (1) (c)]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that the plan of care is up-to-date and sets out clear direction to the staff and others who provide direct care to residents, to be implemented voluntarily.
