s. 270 (3) The licensee shall ensure that the attestation is submitted annually to the Director.

The licensee failed to ensure that the emergency plan attestation form for the 2024 year had been completed and sent to the Ministry of Long-Term Care (MLTC) as required by/before December 31, 2024. The MLTC did not have any record of the home submitting the attestation. The Administrator stated that there had been a change in leadership in June of 2024 and that it must have been missed.
