WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 260. Every licensee of a long-term care home shall ensure that no more than 60 per cent of the licensed bed capacity of the home is designated as preferred accommodation. O. Reg. 79/10, s. 260.

Findings/Faits saillants :

1. The licensee has failed to ensure that no more than 60 per cent of the licensed bed capacity of the home is designated as preferred accommodation.

The home is licensed to operate a capacity of 160 beds. Currently 136 rooms are designated as private accommodation with 12 out of the 136 beds allocated to basic accommodation rate and 24 rooms as basic accommodation.

Interviews held with the Director of Care and the office manager confirmed that currently 100 residents are set at preferred accommodation and 60 residents are set at basic accommodation. The office manager indicated that based on the 60/40 requirement they are required to have no more than 96 residents designated under the preferred accommodation category. The office manager was unable to determine the duration of the home being over the allotted preferred accommodation bed capacity.

Further interview with the DOC and the office manager confirmed that the home failed to ensure that no more than 60 per cent of the licensed bed capacity of the home is designated as preferred accommodation. [s. 260.]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that no more than 60 per cent of the licensed bed capacity of the home is designated as preferred accommodation, to be implemented voluntarily.
