The purpose of this inspection was to conduct a Follow up inspection.

This inspection was conducted on the following date(s): July 29, 2016 and October 6, 2016

An inspection (2014-322156-0018) was previously conducted in October 2014 at which time non-compliance was identified related to the home's resident-staff communication and response system and their door security system. Two Orders were subsequently issued with an original due date of March 31, 2015. An extension to April 29, 2016 was requested and granted. For this follow-up visit, the conditions laid out in the two previous Orders have been met.

During the course of the inspection, the inspector(s) spoke with the Environmental Services Supervisor and the Director of Care.

During the course of the inspection, the inspector toured the main floor and wings A and C, verified the installation and function of activation stations located in resident accessible areas and verified the function of back-up stairwell and main entrance door alarms and connectivity to the resident-staff communication and response system.

**The following Inspection Protocols were used during this inspection:
Safe and Secure Home**

During the course of this inspection, Non-Compliances were not issued.
