Rapport d'inspection
prévus le Loi de 2007 les
foyers de soins de longue

Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.)

The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.

Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD.

Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 8. Nursing and personal support services

Specifically failed to comply with the following subsections:

s. 8. (3) Every licensee of a long-term care home shall ensure that at least one registered nurse who is both an employee of the licensee and a member of the regular nursing staff of the home is on duty and present in the home at all times, except as provided for in the regulations. 2007, c. 8, s. 8 (3).

Findings/Faits saillants :

1. The licensee has failed to comply with LTCHA s. 8 (3) whereby the home does not ensure at least one registered nurse who is both an employee of the licensee and a member of the regular nursing staff of the home is on duty and present in the home at all times, except as provided for in the regulations.

The registered nurse schedules for the months of July and August 2012 were reviewed. For the month of July, the home had twenty one shifts with no registered nurse coverage. For the month of August to the date of inspection, the home had thirteen shifts with no registered nurse coverage. All of the vacant shifts are nights.

The shifts not being covered are not as a result of an emergency or a planned or extended leave of absence by a registered nurse. Therefore, the exceptions to the requirement that at least one registered nurse who is both an employee of the licensee and a member of the regular nursing staff are not applicable as per Ontario Regulations 79/10 s. 45 (1)(2).

Additional Required Actions:

CO # - 001 will be served on the licensee. Refer to the "Order(s) of the Inspector".
