The purpose of this inspection was to conduct a Follow up inspection.

This inspection was conducted on the following date(s): June 12, 2014.

This follow up inspection was specific to a compliance order related to the back up power supply and to the resident staff communication and response system.

During the course of the inspection, the inspector(s) spoke with the Dietary Manager/Acting Administrator; the Environmental Services Manager; an electrician; several staff and several residents.

During the course of the inspection, the inspector(s) looked at changes to the home to support the connection of a generator and transfer to back up power; reviewed documentation related to the back up power supply; checked the changes to the resident staff communication and response system and verified operation of the new call stations.

**The following Inspection Protocols were used during this inspection:
