**WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 231. Resident records**

**Every licensee of a long-term care home shall ensure that,**

**(a) a written record is created and maintained for each resident of the home;  
and**

**(b) the resident's written record is kept up to date at all times. O. Reg. 79/10, s. 231.**

---

**Findings/Faits saillants :**

1. The licensee has failed to ensure that the resident's written record is kept up to date at all times as evidenced by:

The clinical health record for an identified resident was reviewed over a 2 week period. There was no documented evidence that personal and oral hygiene care was provided for 2 identified shifts.

On 3 identified dates, there was no documented evidence of care provision or medication administration to the resident by assigned staff. There was documented evidence that personal and oral hygiene care was provided on the identified dates by staff who were not responsible for the provision of care to the resident.

A staff member confirmed the clinical record documentation was done in error.

The Director of Care confirmed the expectation that staff are to document on a resident's clinical record when care is provided and that the written record was not kept up to date at all times. [s. 231. (b)]

***Additional Required Actions:***

***VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2)  
the licensee is hereby requested to prepare a written plan of correction for  
achieving compliance to ensure that the resident's written record is kept up to  
date at all times, to be implemented voluntarily.***
