Specifically failed to comply with the following subsections:

s. 73. (1) Every licensee of a long-term care home shall ensure that the home has a dining and snack service that includes, at a minimum, the following elements:

1. Communication of the seven-day and daily menus to residents.
2. Review, subject to compliance with subsection 71 (6), of meal and snack times by the Residents' Council.
3. Meal service in a congregate dining setting unless a resident's assessed needs indicate otherwise.
4. Monitoring of all residents during meals.
5. A process to ensure that food service workers and other staff assisting residents are aware of the residents' diets, special needs and preferences.
6. Food and fluids being served at a temperature that is both safe and palatable to the residents.
7. Sufficient time for every resident to eat at his or her own pace.
8. Course by course service of meals for each resident, unless otherwise indicated by the resident or by the resident's assessed needs.
9. Providing residents with any eating aids, assistive devices, personal assistance and encouragement required to safely eat and drink as comfortably and independently as possible.
10. Proper techniques to assist residents with eating, including safe positioning of residents who require assistance.
11. Appropriate furnishings and equipment in resident dining areas, including comfortable dining room chairs and dining room tables at an appropriate height to meet the needs of all residents and appropriate seating for staff who are assisting residents to eat. O. Reg. 79/10, s. 73 (1).

s. 73. (2) The licensee shall ensure that,

- (a) no person simultaneously assists more than two residents who need total assistance with eating or drinking; and
- (b) no resident who requires assistance with eating or drinking is served a meal until someone is available to provide the assistance required by the resident. O. Reg. 79/10, s. 73 (2).

1. The licensee failed to ensure that resident who required assistance with eating or drinking was not served meal until someone was available to provide the assistance required by the resident.

[s.73(2)(b)]

At lunch meal October 10, 2012 residents who required assistance with eating specified in the plan of care were served a meal prior to someone being available to provide assistance. Food items(soup, main course)were placed in front of three specified residents prior to staff being available to assist the residents. Beverages were placed on tables for all residents requiring assistance with eating and drinking prior to someone being available to provide the assistance.

2. The licensee failed to ensure that course by course service of meals for each resident, unless otherwise indicated by the resident or by the resident's assessed needs.[s.73(1)8]

At the noon meal October 10, 2012 in the second dining room meals were not served course by course. Soup and main course were placed on table for three specified residents. Staff was observed feeding residents main course before soup, first course.

All three specified residents required total assistance with eating and drinking. The written plan of care for specified resident did not direct staff to serve all courses at the same time.
