**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care**

**Specifically failed to comply with the following:**

**s. 6. (7) The licensee shall ensure that the care set out in the plan of care is provided to the resident as specified in the plan. 2007, c. 8, s. 6 (7).**

---

**Findings/Faits saillants :**

---

1. The licensee failed to comply with LTCHA 2007 S.O. 2007, c.8, s. 6. (7) in that the licensee did not ensure that the care set out in the plan of care was provided to the resident as specified in the plan of care.

A Critical Incident Report was submitted to MOHLTC stating that a resident fell on a day in March 2012, suffered injury, and was transported to hospital after staff failed to apply the resident's personal assistance service devices.

A review of the resident's care plan confirmed that the resident was care planned to minimize falls and that s/he was to be in a tilt chair with a lap tray at all times. The Director of Care confirmed that this care plan was in place at the time of the resident's fall in March 2012.

Further review of the progress notes in the resident's health record and internal incident documents indicated that the resident was left in her/his chair by staff without the chair being put in a tilt position and without application of the lap tray.

A staff member involved in the incident confirmed that s/he left the resident in room without tilting the tilt chair and applying the lap tray. Two staff members both received disciplinary action for their actions relating to resident's fall. [s. 6. (7)]

***Additional Required Actions:***

***VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that the care set out in the plan of care is provided to the resident as specified in the plan, to be implemented voluntarily.***
