**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 20.  
Policy to promote zero tolerance**

**Specifically failed to comply with the following:**

**s. 20. (1) Without in any way restricting the generality of the duty provided for in section 19, every licensee shall ensure that there is in place a written policy to promote zero tolerance of abuse and neglect of residents, and shall ensure that the policy is complied with. 2007, c. 8, s. 20 (1).**

**Findings/Faits saillants :**

1. The licensee has failed to ensure that the home's written policy to promote zero tolerance of abuse and neglect of residents was complied with.

On an identified date, an incident occurred between resident #001 and resident #002. This incident was reported to the Registered Practical Nurse assigned to the resident home area. The identified Registered Practical Nurse failed to immediately report this incident of abuse/neglect.

The home's policy CC15 Client Non-Abuse indicated that "any employee or person who becomes aware of, and/or has reasonable grounds to believe an alleged, suspected, or witnessed incident of abuse or neglect will report it immediately". In this instance, it was not reported until seven (7) days later, at which time a Critical Incident Report was submitted to the Ministry of Health and Long Term Care.

A telephone discussion with the DOC and ADOC confirmed this incident should have been immediately reported, and the home's policy was not complied with. [s. 20. (1)]
