Findings/Faits saillants :

1. The Licensee has failed to ensure that all residents are treated with courtesy and respect and in a way that fully recognizes the resident's individuality and respects the resident's dignity.

a) Resident interviews revealed that an identified resident was repeatedly not treated with respect and courtesy when being changed by staff during the night.

It was reported that the resident was yelled at not to wet the bed, and spoken to rudely on more than one occasion.

b) An identified resident stated that night staff frequently have conversations in the hallway at 05:00 or 06:00h. These conversations are overheard in the residents' rooms.

c) An identified resident stated that the issue of staff yelling at each other, sometimes in anger and sometimes just to be heard down the hall, has been raised at Resident Council meetings, but has not improved.

d) An identified resident stated that some residents on the first floor are spoken to rudely during the evening, and are prevented from going to bed when they want to.

e) An identified resident reported being present in a full dining room while a member of the management team criticized a staff member's performance, in full hearing and view of the resident. The resident reported to the inspector that she felt upset and embarrassed at witnessing the conversation.

[s.3.(1)]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that all residents are treated with courtesy and respect and in a way that fully recognizes the resident's individuality and respects the resident's dignity, to be implemented voluntarily.

WN #2: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 76. Training

s. 76. (2) Every licensee shall ensure that no person mentioned in subsection (1) performs their responsibilities before receiving training in the areas mentioned below:

1. The Residents' Bill of Rights.
2. The long-term care home's mission statement.

4. The duty under section 24 to make mandatory reports.
5. The protections afforded by section 26.
6. The long-term care home's policy to minimize the restraining of residents.
7. Fire prevention and safety.
8. Emergency and evacuation procedures.
9. Infection prevention and control.
10. All Acts, regulations, policies of the Ministry and similar documents, including policies of the licensee, that are relevant to the person's responsibilities.
11. Any other areas provided for in the regulations. 2007, c. 8, s. 76. (2).

Findings/Faits saillants :

1. The Licensee has failed to ensure that staff receive training in the area of mandatory reporting under section 24 of the Act of improper or incompetent treatment or care, unlawful conduct, abuse or neglect resulting in harm or potential harm to a resident, prior to performing their responsibilities.

The home's training materials and staff interviews indicate that staff training regarding mandatory reporting under section 24 of the Act involves instructing staff to tell their immediate manager of any concerns they might have about abuse of residents, and that managers have an obligation to report it to the Ministry of Health. Mandatory Reporting under section 24 of the Act states that ANY PERSON who has knowledge of abuse of a resident has a duty to report it to the Director under the Act, and that it is an offence for staff not to report it.
