**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6.
Plan of care**

Specifically failed to comply with the following:

- s. 6. (1) Every licensee of a long-term care home shall ensure that there is a written plan of care for each resident that sets out,**
(a) the planned care for the resident; 2007, c. 8, s. 6 (1).
(b) the goals the care is intended to achieve; and 2007, c. 8, s. 6 (1).
(c) clear directions to staff and others who provide direct care to the resident.
2007, c. 8, s. 6 (1).

Findings/Faits saillants :

1. The licensee failed to ensure that the plan of care set out clear directions to staff and others who provided direct care to the resident.

A resident required medical devices and interventions due to a medical condition.

Interviews with five staff members indicated that these medical devices and interventions were used in the residents care.

The Assistant Director of Care confirmed that the written care plan did not include these devices or interventions and that her expectation was that all medical devices and interventions should have been written in the care plan to provide clear directions to staff and others who provide care to the resident. [s. 6. (1) (c)]

Additional Required Actions:

***VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2)
the licensee is hereby requested to prepare a written plan of correction for
achieving compliance to ensure that there is a written plan of care for each
resident that sets out clear directions to staff and others who provide direct care
to the resident, to be implemented voluntarily.***
