The purpose of this inspection was to conduct a Follow up inspection.

This inspection was conducted on the following date(s): August 20, 2015

A follow-up inspection (2015-189120-0034) was previously conducted on May 12, 2015 to determine compliance with Orders issued on September 16, 2014 related to door security and the resident-staff communication and response system. For this follow-up visit, the conditions laid out in the Orders have been met.

During the course of the inspection, the inspector(s) spoke with the Administrator and maintenance person, randomly tested a select number of activation stations, door exits and stairwell doors in the Fusco home area, Fidani home area and the main floor to determine functionality and connectivity to the resident-staff communication and response system (marquees) located on floors 2-5 in both Fidani and Fusco home areas.

**The following Inspection Protocols were used during this inspection:
