WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 50. Skin and wound care

Ministry of Health and
Long-Term Care

Inspection Report under
the Long-Term Care
Homes Act, 2007

Ministère de la Santé et des
Soins de longue durée

Rapport d'inspection sous la
Loi de 2007 sur les foyers de
soins de longue durée

Specifically failed to comply with the following:

- s. 50. (2) Every licensee of a long-term care home shall ensure that,**
(a) a resident at risk of altered skin integrity receives a skin assessment by a
member of the registered nursing staff,
(i) within 24 hours of the resident's admission,
(ii) upon any return of the resident from hospital, and
(iii) upon any return of the resident from an absence of greater than 24 hours;
O. Reg. 79/10, s. 50 (2).
-

Findings/Faits saillants :

1. A skin assessment was not completed for a resident upon return from hospital.
A review of the resident's progress notes indicates inconsistencies in relation to the resident's skin and wound status.
Staff confirmed that a skin assessment was not completed upon return from hospital and that inconsistencies in the progress notes do not support the dates that a wound assessment was completed post hospitalization. [s. 50. (2) (a) (ii)]
