1. The licensee has failed to ensure that the staffing plan includes a back-up plan for nursing and personal care staffing that addresses situations when staff cannot come to work.

An anonymous complaint indicated a concern that with only one Personal Support Worker (PSW) per unit on night shift, if the Registered Nurse leaves the unit in the case of an emergency, the PSW does not have any one to call to assist with resident care.

Staff interview with the Director of Quality Improvement confirmed the home did not have night coverage on December 3 and 4, 2014 for one PSW and could not provide documented evidence that "Staff Relief Care Services Inc." was called to try and replace the PSW absent on night shift.

There was no documented back-up plans to address this or other staff shortages.

The Director of Quality Improvement confirmed the home does not have a written back-up staffing plan in the case of staff shortages. [s. 31. (3)]

Additional Required Actions:

***VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2)
the licensee is hereby requested to prepare a written plan of correction for
achieving compliance to ensure that the staffing plan includes a back-up plan for
nursing and personal care staffing that addresses situations when staff cannot
come to work, to be implemented voluntarily.***
