WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 107. Reports re critical incidents

Specifically failed to comply with the following:

s. 107. (1) Every licensee of a long-term care home shall ensure that the Director is immediately informed, in as much detail as is possible in the circumstances, of each of the following incidents in the home, followed by the report required under subsection (4):

2. An unexpected or sudden death, including a death resulting from an accident or suicide. O. Reg. 79/10, s. 107 (1).

Findings/Faits saillants :

1. The licensee has failed to ensure that the Director was immediately informed, in as much detail as was possible in the circumstances, of an unexpected or sudden death.

Review of the Critical Incident Systems Report (CIS) submitted to the Ministry of Health and Long Term Care (MOHLTC), indicated that a specified resident passed away unexpectedly.

Staff interview with the Director of Care (DOC) agreed that the home did not notify the Ministry's after hours pager immediately upon receiving information about the resident's passing, and that it was the responsibility of the home to call the Ministry's after hours pager immediately in the event of an unexpected death. [s. 107. (1) 2.]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that the Director is immediately informed, in as much detail as is possible in the circumstances, of an unexpected or sudden death, to be implemented voluntarily.
